

QPS Evaluation Services Inc.

Testing, Certification and Field Evaluation Body
Accredited in Canada, the USA, and Internationally

QPS Evaluation Services Inc., is the largest Accredited Field Evaluation Agency in North America. We are also accredited as a NRTL (Nationally Recognized Testing Body) and a Third-Party Testing and Certification Body headquartered in Toronto, Ontario, where our main state of the art testing laboratory is located. We have engineering service centres in various locations across the USA, Canada, and Europe.

We employ only the finest engineering, technical and support staff with the highest level of expertise and the best customer service attitude.

We are currently expanding our Field Evaluation services and are looking for a Junior and/or Senior Electrical Inspector, or an Engineer with Field Evaluation experience to join our growing team of technical experts in product evaluation. QPS provides a comprehensive training program and technical support for all Field Inspectors/Engineers.

The successful candidate will be assigned to work with a Senior Inspector in the Field during the initial training period, after which they will perform on-site evaluation of a variety of electrical products to determine compliance with applicable safety standards and codes. Experience with Hazardous Locations equipment and/or Electro-medical products would be an asset but not mandatory.

We offer a very competitive salary and an excellent health benefits program.

Qualifications:

To qualify for this position, you must be either an Electrical Engineer with minimum 2 years of experience in Field Evaluation of electrical products/systems, or a Licensed Electrician or Electrical Technologist with minimum 2 years of hands-on experience in inspection of installation sites and associated electrical equipment to applicable safety codes. This position involves extensive local and possible international travel. Therefore, you must have a valid driver's license and a valid passport.

This job could be either a full time or contract position.

QPS supports the Accessibility for Ontarians with Disabilities Act (AODA) and the Human Rights Code in our recruitment process. Upon request, any assessment and selection materials or processes used during the recruitment process will be available in a format accessible to applicants with disabilities. If contacted for an interview, please advise our Human Resource Department if you require any disability-related accommodation.
