

# REGISTRATION

## For the IECEx/QPS International Conference

Join us! - As we host this International Conference organized under the auspices of the IECEx System and endorsed by the United Nations (through the UN Economic Commission for Europe) and by the Standards Council of Canada.

This two-day event brings together experts from around the world involved in international standardization and conformity assessment activities related to equipment and systems used in explosive atmospheres.

OCTOBER 2-3, 2023

Marriott on the Falls,  
Niagara Falls, Canada
